**Tick speed/tariff required**

Download Speed	Upload Speed	Price pcm Inc VAT	Tariff Code	Unlimited usage or Capped service	Contention	Tick required option	Notes
64	64	<b>£10.99</b>	A	unlimited	uncontended		<ul style="list-style-type: none"> <li>All tariffs have a minimum 12 month contract and are fixed for the contract term.</li> <li>There is no restriction on your usage of the service when an Unlimited usage tariff is selected. Capped services restrict your total monthly usage to the amount shown. Excess usage will be advised together with the opportunity to switch to an unlimited tariff.</li> <li>Contention relates to the number of users sharing a given bandwidth. If you opt for a contended tariff you will share the service with up to 20 other users. This will cause a slight reduction in speed at peak usage times.</li> <li>Installation includes site survey, antenna, client adapter unit and all necessary cabling to complete the installation.</li> <li>All tariffs apply to consumers and businesses.</li> <li>Installation is typically a minimum of 2 hours and complex installations may take longer. Our installation engineer will give a time estimate upon arrival, if requested.</li> <li>Users can change tariff three times in any one calendar year before attracting a charge.</li> <li>W3Z – Zycomm reserve the right to refuse a signed, completed Contract if the premises to be served are not within "Line of Sight" of one its Access Points.</li> <li>Installation charge and first month pro-rata tariff will be billed at time of installation.</li> </ul>
